

Conception Bay South
Engineering and Public Works Committee Meeting Minutes

Meeting #: 02
Date: January 25, 2022
Time: 4:30 pm
Location: Zoom

Members Present Deputy Mayor Gosse
Councillor Tilley
Councillor Connors
Councillor Butler
Councillor Hardy

Staff Present Jennifer Norris
John McKeever

1. WATER STATISTICS

The Committee was updated on the latest water statistics.

2. OTHER DEPARTMENT ITEMS

2.1 Jeffers Lane One-Way Traffic Flow

Mayor Bent had requested this item be reviewed at Committee after receiving a request from a resident to change the one-way direction along Jeffers Lane. Staff followed up with the resident who confirmed the nature of their request.

The current traffic flow is from North to South (CBH towards Tilley's Road South).

The previous Council discussions and decisions were reviewed.

A letter from the resident requesting a change in traffic flow was received by Council today. The requested changes were revised since correspondence with the Mayor and follow up with staff. The resident also requested to attend a meeting with Council.

The Committee agreed to invite the resident to the next committee meeting for further discussion.

2.2 2022 - 2023 Street Paving

The scope of work for 2022 and 2023 street paving projects was reviewed with the Committee.

The Committee had no concerns with work scope and scheduling however would like to discuss Dunns Hill Road and Conception Bay Highway intersection improvements further at the next Committee of the Whole meeting.

3. DEPARTMENT REPORT

An update on recent accomplishments, upcoming initiatives and potential issues was discussed.

4. ENGINEERING AND PUBLIC WORKS COMMITTEE MEETING

The Committee concurred with the following recommendation:

Recommendation:

Be it so resolved that the recommendations and decisions at the Engineering and Public Works Committees of January 25, 2022 be accepted as presented.

- Water Statistics
- Department Report
- Jeffers Lane Traffic Flow
- 2022 - 2023 Street Paving

Meeting adjourned at 6:15 p.m.

Councillor Tilley, Chair

Jennifer Norris, Director of
Engineering and Public Works
