2-22 Barley Road - Business

The Town has received an application for a tire recycling business located at **2-22 Barley Road**. The facility would use mechanical processes to shred tires into a ‘tire derived aggregate’ for use as fill in the construction industry. No chemical processes will be used. The shredding equipment would be housed inside a building at the property. Tires and processed aggregate would be stored in concrete block bins on the site. The facility would operate Monday – Friday, year-round. Further information is available by contacting the Town as noted below.

The Town is considering the application under its discretionary authority, and prior to making a decision, is seeking feedback from the community about the application.

Anyone who would like to submit comments for Council’s consideration should do so in writing before **2:00 p.m. Thursday, June 2, 2022**. Submissions can be deposited in drop box located at the public entrance to the Town Hall at 11 Remembrance Square; faxed to 834-8337; mailed to the address noted below or sent via email to planning@conceptionbaysouth.ca.
