Respecting a Feasibility Report Pursuant to the Municipalities Act, 1999

Pursuant to Section 10 of the Municipalities Act, 1999, I hereby give Notice of Intent to order the preparation of a Feasibility Report. The proposed alteration would include the shared boundary between the Town of Conception Bay South and the Town of Paradise, specifically in the general area near Thomston Avenue and Haliburton Street in Conception Bay South and Vineyard Drive and Haliburton Street in Paradise, to ensure the municipal boundary reflects private property ownership.

Dated at St. John's, in the Province of Newfoundland and Labrador, this 30th day of July, 2022.

Hon. Krista Lynn Howell
Minister of Municipal and Provincial Affairs
