**Provincial Environmental Assessment Notice  
Proposed Drill Mud Processing Facility  
24-42 Hops Street, Chamberlains**

A proposal from Envirosoil Limited was registered for Environmental Assessment with the provincial government on January 3, 2020. Envirosoil Limited proposes to develop a drill mud processing facility at 24-42 Hops Street, off Highway 2 (Peacekeeper's Way) and Fowler's Road within the Town of Conception Bay South. This facility will require the installation and operation of a Vacuum Assisted Recovery Unit to treat waste drilling mud, fluids and cuttings to recover the synthetic drilling fluid. The proposal also includes construction of an operational pad for containment, a pelletizing plant, fully contained pellet storage, and a bulk fuel storage tank. The environmental assessment registration document and other information is available online at

[https://www.mae.gov.nl.ca/env\\_assessment/projects/Y2020/2065/index.html](https://www.mae.gov.nl.ca/env_assessment/projects/Y2020/2065/index.html)

The provincial government is accepting public comments on the proposed project until **February 11, 2020** and the Minister's decision on the project is due by February 17, 2020. The contact information for the Provincial Environmental Assessment Division is:
