

## Public Meeting and Open House Flood Risk Policy and Regulations

A public meeting to discuss the draft policies and regulations to mitigate development on flood vulnerable properties in the Town will be held in the Gerald Greenslade Gallery, Town Hall, 11 Remembrance Square, Long Pond, at 4:00 p.m. on Wednesday, May 3, 2017.

Planning and engineering consultants from Stantec will be in attendance to present the draft policies and new mapping that identifies flood vulnerable areas.

This will be an open house format with a presentation at 7:00 pm outlining the new draft policies and mapping and how they were developed. Drop in anytime during the open house to look at the maps and discuss the draft policies with the project consultants. The consultants are wanting your input.

The draft policy and mapping can be viewed at the Town Hall during regular business hours, or on the Town's website at [www.conceptionbaysouth.ca](http://www.conceptionbaysouth.ca). For more information, please contact the Planning and Development Department at (709) 834-6500 ext. 408.
