

Q1 Automated waste collection will require all garbage to go inside a garbage cart, which will be provided to residents by the Town. Do you think that automated waste collection will be an effective way to keep our Community clean?

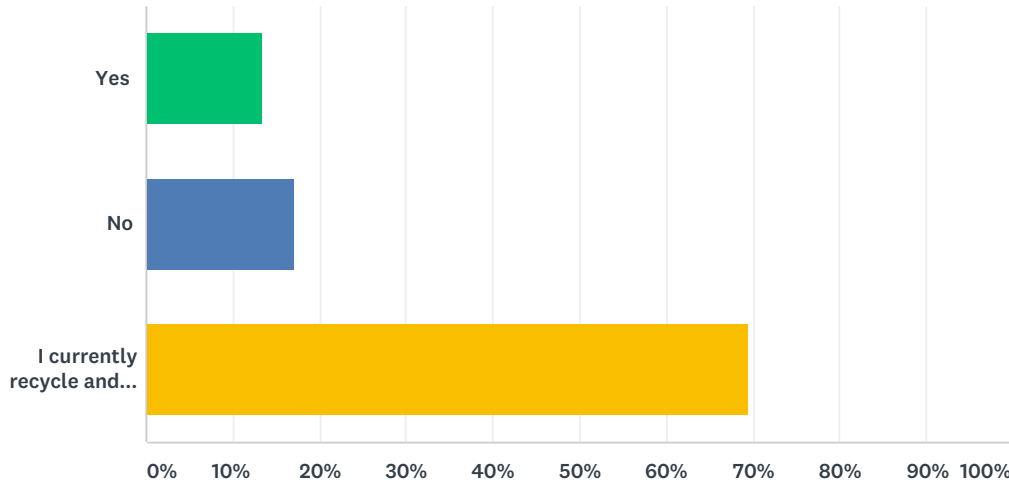

Answered: 992 Skipped: 6

ANSWER CHOICES	RESPONSES	
Yes	77.02%	764
No	22.98%	228
TOTAL		992

Q2 Automated waste collection will reduce the number of garbage bags allowed at the roadside from 10 bags to 4-6 bags (because this is how many bags the garbage cart will be able to hold). Will automated waste collection encourage you to recycle more?

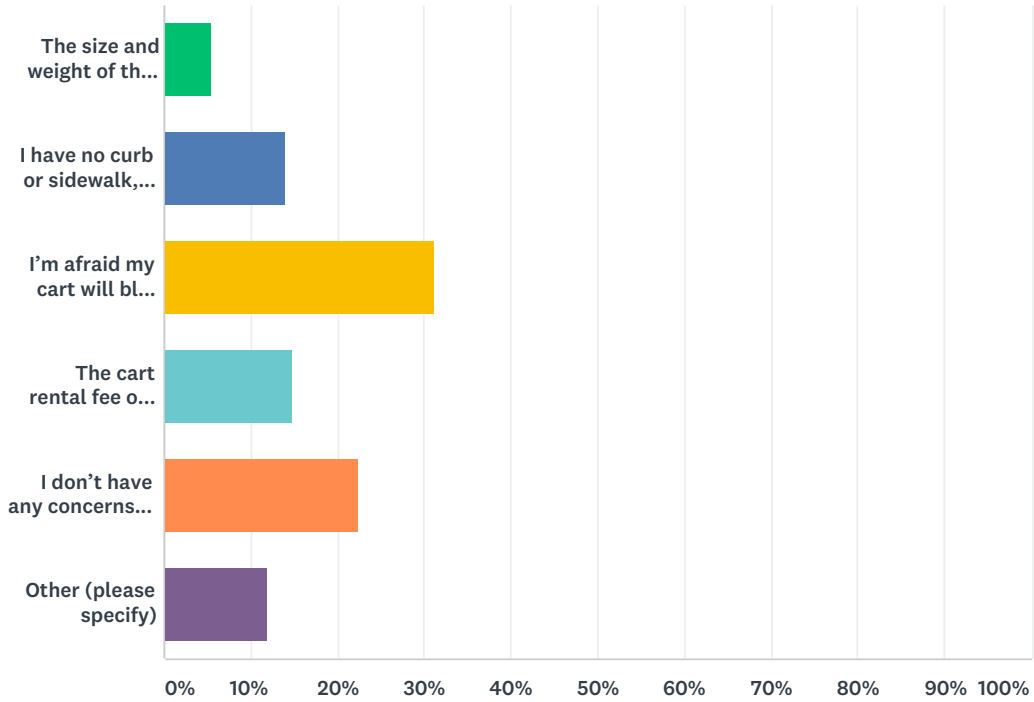

Answered: 998 Skipped: 0

ANSWER CHOICES	RESPONSES	
Yes	13.33%	133
No	17.13%	171
I currently recycle and will continue to do so	69.54%	694
TOTAL		998

Q3 What is your biggest concern with Automated Waste Collection?

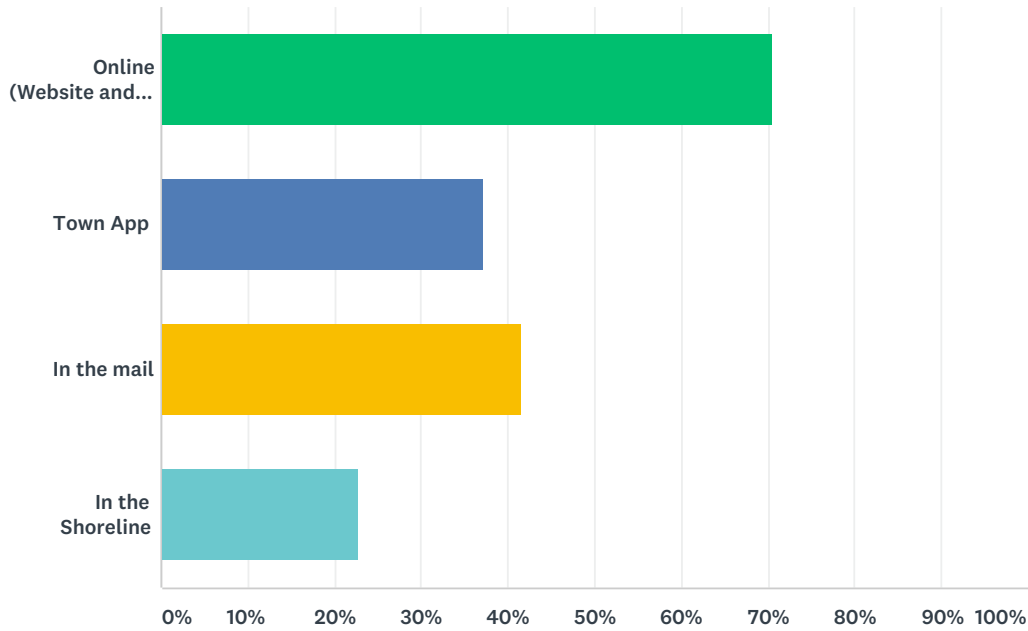

Answered: 995 Skipped: 3

ANSWER CHOICES	RESPONSES	
The size and weight of the garbage cart	5.43%	54
I have no curb or sidewalk, and have no where to place my garbage cart	14.07%	140
I'm afraid my cart will blow away with the wind	31.26%	311
The cart rental fee of \$20 on my annual tax bill	14.87%	148
I don't have any concerns, I think this is a great idea	22.41%	223
Other (please specify)	11.96%	119
TOTAL		995

Q4 How would you like to receive information on automated waste collection moving forward? (select as many as possible)

Answered: 994 Skipped: 4
