Established 1971

Foxtrap Automotive has been servicing local motorists and businesses for the past five decades. Started in 1971 by Eldred Kennedy and his brother-in-law, the late Alfred Haines, Foxtrap Automotive is a business built on reputable service through honesty and loyalty.

Entering its 52nd year of operation, Foxtrap Automotive is still a family-owned and operated business. Eldred and Marion's children, Darrell and Dana, are now steering the business, which repairs and maintains automobiles.

These days, Foxtrap Automotive has its 3rd generation of Kennedys working at the shop, with Dana's daughter Danielle also involved in business operations.

"It's incredibly rewarding to be a long-standing business in Conception Bay South. We employ 10 dedicated employees, all of whom are raising their families in our beautiful town. It's gratifying to not only live here but to run our business and do our small part in keeping the families of our valued customers safe on the road ahead," says owner Darrell Kennedy.

constant in Foxtrap from its beginning on the Conception Bay Highway. They've moved, expanded, and joined forces with national brands NAPA Auto-Pro and Canada Tire, but the results remain the same: customers from different generations of the same families continue to take their vehicles to Foxtrap Automotive. They know and trust the service they receive from the Kennedys.

"I've been a customer here for over 20 years. My family has changed since then but their prompt quality of service has never. Their doors are always open to us as well as their hearts. They are a good, solid family operating an outstanding family business," says customer Stephanie Jacobs.
